PROFESSIONAL PROFILE

Results-driven Camera Operator and Broadcast Specialist with over four years of professional experience delivering high-impact visual content across live sports, scripted television drama, and studio production. Proven track record operating at the highest level of broadcast — including the Kenya Premier League, Safari 7s International Tournament, and prime-time drama for Maisha Magic Plus — in collaboration with leading production houses across East Africa. Technically versatile across Sony HDC, Grass Valley LDX, and cinema-grade camera systems. Currently advancing expertise through a Film Production programme at SRH International College, Berlin, with full professional availability across Germany and Europe.

PROFESSIONAL EXPERIENCE

Camera Operator — Studio

Nov 2025 – Dec 2025

Cube Production / Kenya Premier League · Nairobi, Kenya

- Operated multi-camera studio setup for live Kenya Premier League analysis programming, maintaining broadcast-standard framing for presenters, pundits, and guests.
- Managed studio lighting configurations to deliver consistent image quality across live transmissions.
- Coordinated with the technical director via IFB to execute precise shot transitions in real time.

Camera Operator — Live Sports & Events

Feb 2024 – Nov 2025
